[www.USSpiritleaders.com/camps](http://www.USSpiritleaders.com/camps) for all schedule and parent info)

## **Overnight Chaperones will be:**

Alyssa Taylor -JV Coach

Kenny Kuo- Assistant Varsity Coach

Mandy Morgan -Varsity Cheer Coach

Rachel Barrett - JV Cheer Coach

Hayley Reyes- Varsity Dance Coach will be there during all days just not overnight, baby is due in July

## **What Campers Should Bring To Camp**

All Campers must bring their own bedding, toiletries and towels (We suggest sleeping bags & pillows). Campers are staying in dorms, not hotel rooms

Assigned Camp Wear and Uniforms (if we have them by then). Clothing check list and hair assignments will be given out by captains next week

Sunscreen, Lip Protection, Hair Ties, Bobby Pins, Toiletries, Water Bottles, Snacks and decorations for the dorm rooms.

Super Hero Costume Supplies (this is not mandatory. Only bring costume pieces if you have them for fun. US Spiritleaders hosts a party on Night 2 and the theme is Super Hero). Also pack room decorations

FYI- The EMT is only for medical emergencies and will not wrap or provide tape for campers. If you need medical tape or braces, please bring those

Water Jugs to fill up thorough out the day

\$15 CASH. On Night 3 after evaluations we are offered an option to order pizza (TRUST us, the kids are starving as evaluations take place after dinner, and the pizza went quick last year). Last year it was \$5 for pizza and a drink per dancer, and we also ask for \$5 per dancer to put towards a buddy gift. Last year it was \$10 total but please bring \$15 just to be safe!

Room checks will be done each night. Lights out by 11pm every night

## **Dance Parent Info**

### ***Getting To Vanguard University Can Be Confusing at First...***

...but once you get there you will find how close the dorms, cafeteria, and practice field are. Basically the signage at the University is very small and the parking lot entrances are either hard to find or can be confused with the Police Department Parking Lot. (Ticket Warning: Be sure not to park in their parking lot!). There is also no front gate or kiosk.

**Directions from South Orange County:** 5 North to the 405 North to the 55 South...exit Fair Drive which turns into Newport Blvd....drive up Newport Blvd...turn right into the **second** parking lot past Fair Drive.

**Drop Off:** \*7/13-Arrive at Vanguard University by 12:30 in front of the Catalina Dorms. Here your coaches will check you in and give you your room key. Coaches will be getting there early to check you all in and will report over to you with your room info. Please be patient

*Parents will not be allowed inside the dorms until pick up on Day 4 (7/16). No overnight cars allowed and no guests allowed during camp. Students are to be dropped off on 7/13 and picked up 7/16, never leaving campus between then*

### ***Closing Ceremonies and Information for Parents and Guests***

*Please plan on picking up your daughters luggage out of the dorms during the lunch break 11:30-12:30 (7/16) so by the end of Closing Ceremonies you can go straight home. Works out great this way! It's a long day in the sun ;)*

**\*\* Caution! Vanguard is very strict on parking! OC Fair is also going on at this time right across the street\*\***

Guests need to arrive no earlier than 11:30 am on Sunday (7/16) for Closing Ceremonies; however we realize that many will want to stand in line earlier. Guests will not be allowed on the field until classes are over and the Staff is ready. Closing Ceremonies will begin at 1:00 pm and last 2-3 hours we suggest blankets, chairs, umbrellas (only until 1pm) and E-Z Ups (back row only). All snacks and trash must be picked up. Guests cannot park in the residential streets and only park in legal campus spots. Guests need to be pre- pared to pay for parking. All guests must be respectful to the staff and teams or they will be removed by security. Guests risk their vehicles being towed if they do not abide by posted signs.

***Sunday Parking, Closing Ceremonies Location – Parking Permits Required (they are strict! OC Fair is also going on during this time)***

It is very important to read the Parent Information PDF form that we will have posted on [www.USSpiritleaders.com](http://www.USSpiritleaders.com)
