

**REMINDER for Senior pictures and music choice for Pep-squad year-end video!
February 16, 2019**

Hello Senior Parents,

The Pep-Squad Year-end Banquet will arrive quickly on April 4th and I need your assistance.

If you have already completed the two steps in the below email, THANK YOU. If you have not, this is just a quick reminder to please get **10 of your Seniors' childhood photos uploaded to the Google drive** link invite sent to you for the year-end banquet video, and provide their **music choice**, preferably by next weekend, **February 24th**.

Thank you for your help. Please let me know if you have any questions.

Subject: Senior pictures and music choice for Pep-squad year-end video!

Hello Pep-Squad Senior Families,

I will be preparing the year-end banquet video again this year and need your help with two things:

1. Provide up to 10 favorite digital pictures of your Senior from birth to high school.
2. Provide the title of a favorite song (with artist). You can respond to this email with your choice and I will download the music, just need the title/artist.

These two items will be used to create a photo montage of each Senior along with the Senior Night center court photos taken at the recent basketball game and a few of the individual Senior Photos from the pro package that Jessica is coordinating.

Each family will be receiving a Google Drive Photo share invite via email with a folder set up for each Senior family to conveniently upload your 10 pictures. If you do not have a Google/Gmail account or would prefer to provide them to me via another method (email, another share site, USB stick, paper copy, etc.), please just let me know and we can arrange something. The idea is to get the highest quality photos to use in the video.

I would like to get your photos and music choice by **February 16** so that I can have enough time to put it all together for the April 4 banquet.

Again, please look for a separate Google drive invite and start uploading!

Thanks!
